

BSA TROOP 348

Financial Assistance (Scholarship) Request Form

In order to better meet the needs of families or guardians who are in need of financial assistance for specific outings or events that Troop 348 participates in, the Parent Committee has created a "Scholarship" fund. This fund is designed to assist those families and/or guardians of a Troop 348 Boy Scout by helping to defray the cost of a specific outing or event of up to fifty percent (50%) of the total cost of the event.

- This fund is available for use by a currently registered Boy Scout of Troop 348 and is not available for anyone over the age of 18
- The fund may be available for BSA Summer Camp (Application for "Campership" assistance with Chief Seattle Council for in-council camps is strongly encouraged)
- If approved, funds will be paid directly to the organization on behalf of your Troop 348 Boy Scout
