## Breakfast Recipes

### Breakfast Burritos

Serves 10

- 1 pound ground sausage
- 1 green pepper, diced
- 1 dozen eggs
- 1 package tortillas
- 1 package shredded cheddar cheese

Pre-camp preparation:

Pre-cook the sausage with the green peppers and store in a container. Crack the eggs and store in a separate container.

To finish at camp:

In a fry pan on a grill, scramble the eggs. Add the cooked sausage mixture and heat. Warm tortillas directly on the grill until just soft. Fill tortillas with eggs, sausage, and cheese, then roll up.

### Breakfast in a Pan

Serves 2

- 3 potatoes, boiled or baked
- 5 tablespoons margarine or oil
- 1 cup ham pieces
- salt and pepper
- 4 eggs

Slice the potatoes. Melt the margarine in the largest frying pan available. Brown the potato slices and ham pieces, stirring gently. Sprinkle with salt and pepper.

In a small bowl or pot, beat the eggs until they are smooth and yellow. Pour the eggs into the frying pan with the rest of the ingredients and stir. Stir until the eggs are set. Serve hot.

## Breakfast Sandwiches

Special equipment: camp iron

For each sandwich:

- 1 egg, scrambled or fried “over hard”
- Sausage, ham or bacon, browned
- 2 pieces of sandwich bread
- Butter
- 1 slice of cheese
- Salsa, salt and/or pepper (optional)

Pre-camp preparation:

Cook the eggs and meat or assemble the sandwiches in advance.

To finish at camp:

Butter each slice of bread on one side. Place one piece of bread, buttered side down, in the camp iron. Layer egg, meat, and cheese, and top with a second piece of bread, buttered side up. Close the iron and place over a hot fire for approximately one minute on each side. Check often to avoid burning.

Just about anything can be placed in the middle. The bread forms a seal which prevents juicy items from leaking out. The butter keeps the bread from sticking and helps it brown. Margarine does not brown quite as well as butter, but it does work.

## Calamity

Serves 6-8

- 1 bag frozen hash browns
- 1 pound bacon
- 1 onion, chopped
- 6-8 eggs
- 1 12-ounce package of grated sharp cheddar cheese

Pre-camp preparation:

Thaw and pre-cook hash browns according to instructions.

To finish at camp:

Fry and crumble bacon, then set aside. Discard all but 1 teaspoon of drippings. Sauté onion in reserved drippings. Add hash browns and brown. Add eggs and cook. Top with grated cheese.

## Camper's Skillet

Serves 4-6

- 6-8 sausage links
- 4 large potatoes, sliced or diced
- 1 medium onion, chopped
- 1 green pepper, chopped
- Seasoned salt
- 6 large eggs

Fry the sausage, potatoes, onion, and green pepper in a skillet. Season with salt to taste. Break eggs over skillet contents. Stir until eggs are cooked.

## Campfire Cinnamon Coffeecake

Special equipment: toothpick

- 1 cup packaged biscuit mix
- 2 tablespoons butter or margarine
- 1/3 cup undiluted evaporated milk
- 1 tablespoon cinnamon/sugar mix
- Small amount of flour

For coffee cake:

Put biscuit mix into a medium bowl. Cut butter into tiny pieces over biscuit mix. Toss lightly with fork until butter is coated. Make a well in the center. Pour in the milk and cinnamon/sugar mix, stirring with a fork until mixture is just moistened. Turn dough into a lightly greased and floured heavy 8" skillet. With floured hands, pat down evenly into the skillet. Cook, covered, over very low heat, 12 to 15 minutes, or until a cake tester or wooden pick inserted in the center comes out clean.

For topping:

Spread the coffee cake with 2 tablespoons butter or margarine. Sprinkle 1 teaspoon cinnamon/sugar mix over all of it. Cut into quarters and serve warm.

## Campfire Muffins

Makes 6

- 6 oranges
- 2 7-ounce packages muffin mix, any flavor
- Ingredients required by muffin mix instructions

Cut oranges in half. Scoop out orange segments to eat alone or to use with fruit salad. Reserve the hollowed peels.

Prepare the muffin mix according to package directions. Fill the orange peel cups half full of batter. Wrap each one loosely with heavy duty aluminum foil. Place on hot coals, making sure that the batter side stays up. Cook 5 to 10 minutes until muffins are done.

## Corny Cakes

Special equipment: griddle

Makes 10-12 pancakes

- 1 package Jiffy brand corn muffin mix
- 1 egg
- 2 tablespoons melted shortening
- $\frac{3}{4}$  cup milk

Mix ingredients together. Spoon onto hot greased griddle. Turn pancakes when bubbles appear. Serve with bacon or sausage.

## Orange Cup Cinnamon Rolls

Serves 4

- 4 oranges
- 1 can of biscuits
- Powdered sugar
- Cinnamon
- Splash of milk

Cut the top third of each orange off and scrape pulp from the insides of both pieces. For each orange, flatten the dough for 1 biscuit, sprinkle a little powdered sugar and cinnamon. Place a second flattened biscuit on top and sprinkle more sugar and cinnamon on top. Roll the biscuits into a ball and place in the first hollowed orange. Sprinkle one tablespoon powdered sugar on top and a teaspoon of milk. Replace the tops of the oranges and wrap securely in aluminum foil. Place in coals of a fire for about 30 minutes. Remove, unwrap, pull tops off for cinnamon rolls with a hint of orange.

## Pancake Toast

Special equipment: nonstick cooking spray

- “Complete” pancake mix, 1 cup per 4 people
- Nonstick cooking spray
- White bread, 2 slices per person
- Butter
- Syrup, cinnamon, jam, or topping of choice

Combine pancake mix with enough water to make a “slightly” watery dough. Spray pan or griddle with nonstick cooking spray. Dip white bread into the mix to cover both sides, but not so long that the bread will begin to fall apart. Place on the griddle or fry pan and cook on each side until brown. Serve with butter, syrup, cinnamon, or jam.

## Pita Pocket Breakfast

- 1½ cups potato flakes
- 1 tablespoon granulated onion
- Vegetable oil

Pre-camp preparation:

Combine pancake mix, potato flakes, and onion in a small zip-lock plastic bag.

To finish at camp:

Add just enough water to make the mixture into an easily handled dough. Form into balls and drop into lightly greased pan, smashing into patties. Brown both sides and enjoy.

## Tortilla Scramblers

For each scrambler:

- 3 slices bacon
- 1 flour tortilla
- 2 eggs
- Shredded cheese
- Salsa (optional)

1. Fry bacon in a skillet and lay on paper towels to drain. Drain excess bacon grease.
2. Wrap a tortilla in foil and warm slightly near the fire.
3. Scramble eggs in bacon grease.

For each serving, place some vegetables on a large piece of heavy-duty aluminum foil and top with a hamburger patty. Seal tightly and cook in coals until done, approximately 30 minutes.

### Variations

- Add a touch of garlic salt – it makes a lot of difference.
- A little ketchup helps.
- Add a few slices of cooked bacon.
- Add cream of mushroom soup. It adds flavor and adds moisture. A couple tablespoons per packet is enough.
- Add BBQ sauce, Worcestershire sauce, or Italian dressing.
- Include vegetables such as tomato slices, bell peppers, celery, or green beans.

- Instead of hamburger, try pork loin, boneless chicken breast, stew meat or cubed steak, cut into bite-sized pieces.
- If chicken is used, try adding pineapple slices and a mild BBQ sauce.
- Consider adding soy, teriyaki, or steak sauce.
- Add small dough balls of biscuit mix for dumplings.
- Use chicken with instant rice and undiluted cream of celery soup.

#### Helpful Hints

- Do **NOT** use cheese in your foil dinners, unless it is put on after cooking. The cheese can separate, and the oil can catch fire or cook the food much faster than expected.
- It may cost a bit more but try to keep your meats lean and let the veggies add the necessary moisture.
- Always use heavy duty aluminum foil for cooking. It doesn't tear as easily.
- Don't forget to bring extra utensils because you'll be moving a lot of packages around.

### Grilled Potatoes

Special equipment: disposable aluminum pan (optional)

- 2 pounds red potatoes, quartered or cut into pieces
- ¼ cup butter, melted
- 2 cloves garlic, minced
- 1 teaspoon seasoning salt

Combine butter, garlic, and seasoned salt in a bowl and pour over cut potatoes. Place seasoned potatoes into an 8-inch or larger disposable aluminum pan and cover with foil (or create your own aluminum packet from heavy duty foil).

Grill potatoes over medium heat 35-45 minutes, stirring the potatoes in the pan or flipping the foil packet.

## Hobo Veggies

- Diced potatoes
- Diced onions
- Sliced carrots
- Sliced green bell pepper
- Fresh mushrooms
- Garlic powder (lots!)
- Salt and pepper
- Dabs of butter

Cut squares of foil for each serving. Put desired amount of vegetables on each square and seal tightly. Place packets on coals and turn a couple times to keep from burning. Cooking takes about ½ hour or less, depending on the temperature of the coals. These are delicious!

## Pre-fab Fry Bread

Serves 2

- 2 cups all-purpose flour (white or whole wheat)
- 1 tablespoon baking powder
- ½ teaspoon salt
- 1 tablespoon dry onion flakes
- 1 tablespoon dry rosemary

Pre-camp preparation:

Pre-mix all ingredients and place on a durable plastic bag or well-sealed container.

To finish at camp:

Empty contents into a container and add ½ cup of water, mixing well with clean hands. Add more water as needed until dough forms a cohesive, firm, dry ball. Knead 5 more minutes, then create golf-ball sized dough balls. Flatten balls with bottom of can or pan to about ⅛ inch thick. Fry on a hot skillet or griddle 10 minutes per side and serve.

## Quick Potato Puffs

- 2 cups mashed potatoes
- ⅓ cup whole-kernel corn, cooked
- ½ cup cooked shredded chicken
- Cooking spray

Mix mashed potatoes, corn, and chicken in a bowl. Coat a heavy frying pan with cooking spray and place on hot coals. Spoon 1-tablespoon portions of the potato mixture onto the frying pan and fry until browned, turning as needed. This makes a nice afternoon treat or a side dish at supper time. This delight works great as party treats, as well.

### To finish at camp:

Put vegetables, onion, bacon, and shredded cheese in a large bowl or kettle and mix well.

Allow to sit at room temperature about one hour. Pack into a zip-lock bag. Put cheese into a sandwich or snack size zip-lock bag and place on top of beans before sealing. ## Dessert Recipes

### Apple Packet

Serves 1

- 1 medium Apple, thinly sliced
- 1 tablespoon margarine or butter, softened
- 1 tablespoon honey
- $\frac{1}{8}$  teaspoon cinnamon
- 1 tablespoon raisins

Cut an 18x12-inch sheet of heavy-duty aluminum foil. Place apple slices on foil. In a small bowl, combine margarine, honey, and cinnamon. Spoon margarine mixture over apple slices and sprinkle with raisins. Wrap packet securely with double-fold seals, allowing room for heat expansion. When ready to grill, place packet on a gas grill over medium heat or a charcoal grill 4-6 inches from medium coals. Cover grill and cook 10-15 minutes, or until apples are tender, turning packet over once.

### Banana Boats

Serves 4

- 4 bananas, unpeeled
- $\frac{1}{2}$  cup chocolate chips
- $\frac{1}{2}$  cup miniature marshmallows

Cut a wedge-shaped section along the length of each banana. Peel back the peel and remove the banana wedge from the cut portion. Fill the cavity with chocolate chips and marshmallows. Replace peel over the filling and wrap securely in heavy-duty foil. Heat about 5 minutes over coals until chocolate and marshmallows melt.

## Campfire Desserts

Special equipment: one clean tuna can for each serving.

Yellow cake mix  
Ingredients required by cake mix instructions  
Butter  
Brown sugar  
Pineapple rings  
Cherries

Mix the cake mix according to the package directions. In each tuna can, put some melted butter, brown sugar, a pineapple ring, and a cherry in the middle of the pineapple. Fill can about  $\frac{3}{4}$  full with cake batter. Cover with foil and set in the coals until done – sorry, no time to give you. You must just keep checking, as it depends on the heat of the campfire.

*Variation:* Make a gingerbread mix according to directions. Put some applesauce into the tuna can, pour cake mix over it, cover with foil, and set in coals to cook.

## Cherry Cobbler

Special equipment: Dutch oven

30 ounces canned cherry pie filling  
1 white cake mix  
1 16-ounce cherry coke

Line a 10-inch Dutch oven with heavy-duty aluminum foil. Pour the cherry pie filling into the Dutch oven and spread evenly. Sprinkle the dry cake mix on top of the filling, breaking up any lumps. Pour the cherry coke over the ingredients. **DO NOT MIX IN ANY WAY!**

Bake at 350° for 35 minutes. Charcoal recommendation for Dutch oven: 8-10 briquettes on the bottom and 10-12 on top.

## Chocolate Oranges

1 orange per serving  
Package of Chocolate Jiffy cake mix  
Ingredients required by cake mix

Slice the top quarter off an orange and scoop out the fruit inside. Prepare the cake mix according to the package directions and spoon into orange shell. Each orange should be about  $\frac{2}{3}$  full. Replace the top quarter of the orange. Wrap in foil and place in coals for about 15 minutes. One mix will fill about six oranges.

*Variation:* other flavors of cake mix will work – yellow cake and gingerbread are good.

## Cinnamon Baked Bananas

For each serving:

Pull the sides of the banana to open up the slit. Dot the slit with butter and sprinkle with brown sugar and cinnamon.

Wrap in aluminum foil and bake over hot coals 10-12 minutes, until the fruit is hot and soft.

## Ember-Baked Apples

Serves 4

- 4 Granny Smith apples
- ⅓ cup granulated sugar
- 1½ cups dark raisins
- 1 teaspoon ground cinnamon

Core the apples, leaving them otherwise intact. There should be a hole in the center where the core was removed. Do not peel. Mix sugar, raisins, and cinnamon together and stuff into the hole of the cored apples, packing in firmly. Wrap each apple in aluminum foil and set in embers of a campfire and cook 8-10 minutes.
